[illegible] [illegible] [illegible] magister [illegible] [illegible]
[illegible] et [illegible] [illegible] [illegible] [illegible] facultatis
[illegible]

Cuius quidem [illegible] temporibus honorandus magister noster Nicolaus Michaelis
distitans ~~[illegible]~~ licet non in suo ordine et fuit sola [illegible]
[illegible] ordinis [illegible] qua [illegible] laude refert in collegio boni mor[illegible]
ac etiam [illegible] [illegible] in [illegible] fuit lumen [illegible] [illegible]

Die igitur sabbati septima novembris fuerunt vocati per iuramentum
omnes magistri nostri Regentes mane post missam facultatis in
Scolis [illegible] super duobus articulis
Primus fuit super electione novi de[illegible]
Secundus fuit super supplicationibus et [illegible]

Quantum ad primum articulum aperui facultati quod proxima die sabbati
post festum omnium sanctorum iuxta statutum facultatis hactenus
observatum consuevit facultas ad novi decani electionem
procedere, Quare si placet deliberabunt magistri nostri an
velint ad huiusmodi electionem procedere

Quantum ad secundum articulum, habui gratias tam magistris nostris quam
de amplo consilio assistentia et favore michi per totum
exhibitis tempore decanatus mei, supplicans ut vellent
acta per me et gesta habere grata et approbata, necnon
grata et approbata, Et si qua minus bene aut minus
diligenter per me gesta fuerunt, dignarentur mee
imputare imperitie et me in minus bene gestis
si que fuerint dignarentur habere supportatum et excusatum

Insuper supplicavi ut dignarentur michi admittere tres
[illegible] sigillatas sigillo magno facultatis
Iter fuerunt alie supplicationes
Tunc per me expeditis incepi ex libro statutorum facultatis
legere statutum de forma et modo electionis decani
et electionem eius

Quo facto incepit facultas interponens respondere
ad secundum articulum et supplicationes meas ut sequitur
In primis facultas omnes supplicationes meas [illegible]
[illegible] gratias expedivimus

Insuper facultas habuit michi gratias de laboribus per me
impensis durante meo decanatu. Habuitque facultas acta per
me grata et approbata magistri gratiam et concedentes

Verum duo ex magistris nostris videlicet michael de colonia et
theodericus reverii non approbaverunt me in duobus
Primo super monitione seu medicine conditionalis ex ordinatione
facultatis facta ut desisteret a sua opinione impeditiva licenciandorum
de qua in conclusionibus supra scriptis proxime habetur
Secundo quia non recepi ad sui portionem pecuniam pro prandiis
puncturandis. Respondi me cum sua dicta portione [illegible] cum aliis
iuxta tenorem cedule ex ordinatione facultatis super hac materia
confecte, nec me esse aliud posse satisfieri / Respondebant
velle recipere portionem suam integram non attenta
diminutione in cedula contenta. Respondit honorandus magister noster colinus
hylarii hanc materiam non esse [illegible] agitandam, nec super ea
facultatem esse honorandam sed esse differendam tanquam [illegible]
et remittendam ad facultatem pro tempore [illegible] congregandam

Item ad primum articulum in deliberatione orta est discordia. Nam
magistri nostri petrus de rouen petrus prot et nicolaus michaelis
dicebant se habere ius intrandi quia regentes erant (iuniores) et disputaverunt
de prima questione quodlibetaria et quia multi intraverunt scilicet
qui non disputaverunt quodlibetarias in suo ordine. Quorum
intrantium se opposuerunt magistri nostri Robertus gasson et iohannes
avis iunior dicentes neminem habere ius intrandi nisi disputaverit
quodlibetariam in suo ordine. Et quod si introducetur aliter fuerit
in facultate practicatum, hoc fuisse observatum permissive
et de tacito consensu facultatis. Et sic utrumque facte fuerunt
opiniones illa quarum [illegible] posita est per me materia communi
Et ex qua deliberaverunt aliqui magistri nostri quod quattuor
iuniores magistri regentes qui rationem qui disputaverunt quodlibetarias
in suo ordine haberent ius intrandi celebrentque electionem
futuram et hoc per conditionalem intrare consentierunt qui ius
devolveret ad [illegible] [illegible]. Alii vero magistri nostri numero
deliberaverunt quod pro iure intrandi solos esse magistros regentes
disputasse de prima quodlibetaria questione requirentes
electos sub debito iuramenti ut concluderent a pluralitate
votorum alioquin magister noster iohannes avis senior tanquam [illegible]
antiquissimus [illegible] concluderet. Quare conclusi pro
prima deliberatione quod erant octo numero. Et in conclusione
se opposuerunt honorandi magistri nostri Robertus masuyer, petrus
~~[illegible]~~ rouen, petrus prot et nicolaus michaelis
Itemque consentiebant videlicet tenorem dicte conclusionis

Nota quod post deliberationem primi et [illegible] mutatione seniorum incepit hec discordia

Nota iste sunt deliberantes fuerunt octo numero quorum nomina: avis senior, hylarii, de colonia, reverii, bertoul, gasson, cop, avis iunior

Nota nomina seniorum super materiam: tornet, masuyer, rouen, prot, michaelis et de modo scilicet eligendi

Nota quod bertoul post conclusionem super introitu per me prolatam abiit a loco congregationis

intrantes nominibus nationum. Et responderunt pro alemano magistrum
Guillelmum [illegible] pro picardo magistrum [illegible] Iunior pro
normanno magistrum Richardus [illegible]. Sed vero fuerat [illegible]
de gallico intrante fuit [illegible] magistrum Robertum Masuyer
ut intraret quia iuxta [illegible] gallicorum [illegible] consuetudinem
iunior erat. Tunc respondit quod ad eum non spectabat intrantia
sed ad magistrum Petrum [illegible] gallicorum eo iuniorem et se opposuit
quod alius a dicto [illegible] pro gallico intraret. [illegible]
tamen de iure intrantia [illegible] facultate [illegible]
[illegible] pro gallico igitur intrante respondit
magistrum Theodoricum [illegible]. Tunc quattuor predicti iurantes
[illegible] a loco [illegible] ad locum [illegible]
et [illegible] ad dictum locum [illegible]
[illegible] dicti magistri Theodorici quod ipsi quattuor una [illegible]
[illegible] elegerunt magistrum Iohannem Bertrand in decanum. Cum
requirebat [illegible] ad iuramenta et [illegible] in possessionem
decanatus et traditionem [illegible] redierunt
ad locum [illegible] dempto dicto Masuyer [illegible]
[illegible] magistri Petri [illegible] quod ipsi tres una [illegible]
elegerunt in decanum magistrum Robertum Masuyer qui petebat
[illegible] ad iuramenta et [illegible] in possessionem. Quo facto
iuxta tenorem [illegible] dictum Bertrand
ad iuramenta solita [illegible] in possessionem dicti
decanatus et traditionem librorum statutorum facultatis [illegible]
[illegible] dicti [illegible] opponentes [illegible]
[illegible] dictum Masuyer [illegible] esse electum
[illegible] in decanum et quod [illegible] iuramenta
qui [illegible] in altera [illegible] legere et quod [illegible]
iuramenta per intrantes

Ista notabilia fuerunt per me apposita [illegible] quia [illegible]
[illegible] fuerunt [illegible] per me [illegible]
[illegible] petierunt [illegible]

[illegible] alta voce iura-

Decanatus secundus magistri Jo. Bertoud.

Anno domini millesimo quingentesimo primo die sexta novembris fuit congregata
facultas medicorum facultatis per iuramentum et in cedula apud sanctum yvonem
super tribus articulis. Primus super electione decani ut moris est. 2us super
[illegible] honoris facultatis [illegible] et conviviorum. 3us super supplicationibus
et iniuriis. Quoad primum placuit facultati me continuare in decanatu et in
[illegible] deliberavit fuit [illegible] [illegible]. Quoad 2m articulum requisita
a magistro benedicto [illegible] facultati oblationem eius que fuit talis
quod placeat dignari dominis doctoribus magistrum ~~benedictum~~ matheum benedictum
ad [illegible] facultatis, et ad collationes in visitatione egrorum [illegible] est
[illegible] facultatis [illegible] in scholis [illegible] de questione [illegible] atque
in [illegible] disputabili [illegible] formatus et demum [illegible]
disputationes splendidam omnibus doctoribus [illegible] [illegible]. Qua oblatione
audita atque considerata salutifera facultas [illegible] [illegible] mota
[illegible] [illegible] [illegible] [illegible] conditionem atque [illegible]
[illegible] ad collationes egrorum eo modo quo magister [illegible] fuit receptus
sed quod decanus [illegible] in questione de qua publice in scholis respondeat
dictus magister benedictus [illegible] facultati [illegible] [illegible] illi [illegible]
[illegible] Et perfecta disputatione [illegible] magistris [illegible] [illegible]
[illegible]. [illegible] predicta facultas ut bidellus super ~~[illegible]~~ ~~[illegible]~~ in facta
[illegible] [illegible] [illegible]. Quoad 3m supplicationem facultatis ut dignaretur
acta per me in officio decanatus habere grata et accepta Et si que omissa
fuissent supportata et excusata cum [illegible] facultas [illegible] de laboribus
[illegible] in decanatu [illegible] suis [illegible].

304 Eadem die sumpto prandio electionis decani fuit congregata facultas ad audiendum responsum per magistrum Mattheum Benedictum datum bidello mandanti sibi matutinum et conductum facultatis. Cum magister Mattheus Benedictus [illegible] dicto prefato bidello quod sequeretur Amirote (?) [illegible] consilio suasu sub statuto obligatus fuit in facta facultatis [illegible] pro censura facultatis et tali sua finalis habita est. Videtur facultati misericordiam satis et amicabiliter [illegible] cum magistro Mattheo Benedicto dando conductum matutinum pro tunc participare facultati, quamvisque super[illegible] stat facultati in camera habita dicta sententia [illegible] dubitantur oppositiones ad cuius [illegible] magistro Petro [illegible] et magistro Johanne Bompas.

Die vicesima eiusdem mensis et anni congregata facultas apud sanctum Maturinum post missam supplicavit facultati ut placeret prorogare terminum redditionis computorum quia secundum tenorem statutorum lapso termino decanatus infra quindenam debet decanus [illegible] reddere rationem misiarum et receptorum. [illegible] decanum et dominum antiquum [illegible] informatus id oportunum fieri non potuit. Nam [illegible] pendente occasione decanatus longo tempore [illegible] decanatus [illegible]. Insuper quod ad plenum [illegible] prefato domino antiquo occasione predicte infirmitatis [illegible] potuit. Quibus auditis placuit facultati prolongare terminum redditionis computorum usque ad quindenam dictis et [illegible] necessaria fuerant [illegible] a domino antiquo [illegible] predecessorum habere non poterat.

Decima sexta decembris fuit congregata facultas post missam apud sanctum Maturinum. In qua congregatione voluit facultas ut quilibet magister [illegible] pro cena habita [illegible] in domo domini [illegible] duodecim [illegible]

Eadem die voluit facultas impartiendo gratiam magistro nostro Masuyer supplicanti
ut ipse perciperet distributiones additionis et impositionis quia fecerat actum.

Quarta januarii congregata fuit facultas in scholis decretorum super articulis
Primo super erectione et institutione obitus honorabilis magistri nostri amici senioris super quo
deliberavit facultas quod oblata est et suscepta oblatio in tempore magistri nostri prefati. Et placuit
facultati cum tenorem per facultatem predicte universitati tradere suum obitum celebrandum.
2o super supplicationibus et iniuriis.

Eadem die ex parte magistri Andree Charpentier supplicationem in favorem
facultatis placuit ipsum admitti in collegio doctorum facultatis. Ergo considerata
facultas visa et perspecta naturalitate mansionis quasi semper actu promota in
facultate, tamen in hac universitate [illegible] adepto gradu in facultate medicina in universitate
famosa ut fatetur. Ut etiam ut concessit facultas specialiter super hac materia [illegible]
Et supplicavit dictus Charpentier suis licet promotis inventis et secundum
medica materia dispensationem facultatis super oblatione absolutissimum
dabit refectionem.

Die xa aprilis eiusdem mensis finito prandio in domo magistri nostri Roberti
Massion [illegible] ea die proponebat. Exposuit in favore facultatis debitum [illegible]
qualiter duo primi presidentes curie palatini et rector urbis instituant [illegible] que ad
[illegible] mediante [illegible] prefati domini tradiderunt litteras [illegible]
tempore facultatis revocandi ad quam [illegible] vocandi [illegible] quatuor seniores
cum decano super quo deliberavit facultas. Placuit quod [illegible] quatuor seniores
cum decano accedant prefatos dominos ad audiendum [illegible] proponere [illegible]
ad referendum facultati.

Et quia a nonnullis fuit tunc informata facultas quod aliqui contra
disposicionem facultatis statuta et ordinationes [illegible] et decrevit facultas
concorditer et unanimi consensu procedere contra eos viis et mediis contra
eundem tales illicite vexantes facultatem usque ad actionem sigillorum
mandavit nomine in preiudicium facultatis [illegible] propositam ita ut
[illegible] [illegible] [illegible] in contrarium [illegible] posset.

Vicesima eiusdem fuit congregata facultas per [illegible] facultatis
per iuramentum super duobus articulis. Primo ad audiendum
litteram bullas regiarum a supremo domino nostro rege ad facultatem
transmissarum. Super quo exposuit facultati quatenus [illegible] magistri
[illegible] et Consilii [illegible] absente [illegible] duos [illegible]
presidem et Rectorem [illegible] qui multa proposuerunt [illegible] [illegible]
[illegible] conformiter ad tenorem literarum regiarum quas [illegible] facultati
mandat traditionem quibus [illegible] [illegible] et [illegible] [illegible] facul.
[illegible] [illegible]. Audivit [illegible] [illegible] [illegible] [illegible]
facultas [illegible] regias pro [illegible] [illegible] [illegible] supremo domino
nostro Regi maximas [illegible] gratias. Quoad tenorem earum [illegible]
est facultas [illegible] maiestati [illegible] [illegible] [illegible] [illegible]
statutis consuetudinibus ordinationibus [illegible] [illegible] et [illegible]
[illegible] a [illegible] sancta sede apostolica [illegible] ac [illegible] a Regia maiestate
confirmatis. Nullo [illegible] tempore [illegible] [illegible] nisi [illegible] fuerit in
dicta facultate. Alias [illegible] [illegible] dicta facultas [illegible] est [illegible]
[illegible] [illegible] [illegible] ad [illegible] [illegible]. [illegible] [illegible] [illegible]
[illegible] [illegible] [illegible] sed etiam totius Regni. Et hanc [illegible] voluit
facultas [illegible] [illegible] prefatis dominis [illegible] presidi et Rectori [illegible]
[illegible] [illegible] duobus maioribus [illegible] [illegible] addendo [illegible] [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible].

Vicesima sexta aprilis supplicaverunt post missam facultatis Magistri Narcissus Baux et Johannes Ducasterii ut admitterent ad vesperias et gradum doctoratus quos admisit facultas secundum ordinem supplicationis et assignavit eis magistros. Post eos etiam supplicavit magister Petrus de Villemarie. Cui similiter annuit facultas.

Octava maii respondit de cardinali Magister Guillelmus Johannes Barthelemi sub magistro Guichard sine prandio.

Decimatertia maii fuit vesperizatus Magister Narcissus Baux cui presedit magister meus Helain Rex Burgensis propter magistri Regis absentiam in quibus vesperiis proposuit questionem vesperizato Magister meus Bertoul.

Decimaseptima maii fuit facultas per cedulam super tribus articulis apud sanctum Bernardum congregata. Primus ad audiendum labores quos assumpserant venerabiles magistri mei domini deputati in tractanda pace et concordia inter facultatem et cyrurgicos pro qua contractu confecerant valde rationabilem et a tota facultate probatum cum legerit coram magistris in dicta congregatione. Ex illa reconciliaverunt predicti cyrurgici ut continuatum est quod agerent parati in sicut prius steterunt ante.

Secundus articulus fuit super processu incepto contra quendam empiricum et apotecarium non tradentem se biennii medicinam qui appellavit a domino conservatore commissione super quodam appunctuamento contra ipsum dato. Super quo articulo deliberavit facultas ut ducerent eum visitando prosequerentur in superiori curia.

+ Capitulum de cirurgicis retractatis [illegible]

Tertius articulus fuit super supplicationibus et [illegible]. In quo conclusum extitit quod nemo vesperizatus aliquid inferret aut asportaret in cenam suarum vesperiarum ex domo sui presidentis.

Vicesima maii fuit doctoratus Magister Narcissus Bruun cum presidit Magister noster Ghelam loco Burgensis ubi ego decanus terminavi primam questionem et magister noster Zeelandie secundam.

Super quo conclusum extitit quod perciperet unum birretum et [illegible] unum semibirretum.

Secundus articulus erat de discutienda oppositione magistri nostri de Hart qua formaverat contra magistrum nostrum Johannem Durier post prandium suum in [illegible] volendo impedire ut legeret suam primam lectionem. Allegavit [illegible] causas [illegible] quas predictus Durier multis [illegible] asserebat [illegible] et sine causa. Quare condemnavit [illegible] Durier facultas ut veniam peteret magistris facultatis

bene congregate de predictis iniuriis quas ipse domino
coram omnibus confessus fuit, et ideo veniam peteret predicto
Eschart suo presidi quem tunc offendendo totam facultatem
vituperaverat. Preterea daret in manibus decani duo
scuta auri ad pios usus applicanda. Insuper quia semel
decore facultatis prandium sui magisterii medice paravit

Tertius articulus fuit super supplicationibus et iniuriis
In quo declaravi quod necessarium erat examen ad futurum
